COGNIZANT: INVESTING IN THE AMERICAN WORKFORCE
AN AMERICAN COMPANY SUPPORTING U.S. JOBS AND U.S. GROWTH

Cognizant is one of the largest technology companies and employers in the U.S. Since 1994, Cognizant has been committed to creating new jobs that fuel the American economy, starting clients across the country and contributing to hundreds of local communities. In 2017, Cognizant hired approximately 6,000 U.S. employees and plans to hire at least 25,000 U.S. workers over the next five years. In 2018, Cognizant is contributing $100 million to U.S. STEM education programs at the local level through a new foundation. Expanding our presence in the U.S. is key to our future growth as we accelerate our shift to digital services and solutions and help prepare our clients, employees and American workers for the 21st Century digital economy.
