

## Questions Webinar 9/5/2024 11:30am EST Session: FINS and Adaptive

**Q: Did you say you cannot change PO Buyer if PO is receipted?**

**A:** You can change the purchase order buyer when a purchase order is in Draft, In Progress, or Approved Status. You will not be able to change the purchase order buyers when the purchase order is Closed, Canceled, Denied or Fully Paid.

**Q: This is our first release. What is the best way to find what configuration changes and how to do them for the set up required.**

**A:** The release notes in Community include the steps necessary to uptake new functionality. For the features we are sharing today, we also included direct links to the release notes for each. Our post-production team also offers additional support for uptaking releases.

**Q: Will we have access to these slides or this recording after the meeting.**

**A:** Yes, we will send out the slides along with the Q&A after this session
