

Join a community
of over

300K
users across

35K
sites, in

100+
countries,

on Cognizant Shared
Investigator Platform

1450+

active clinical trials

65K

site users
across multiple sponsors

Cognizant Shared Investigator Platform (SIP) substantially reduces the administrative burden on sites. As more trials and sponsors get added to the platform, the benefits enjoyed by sites compound.

10.9M+

study documents
exchanged with sites

118M+

safety notifications
distributed

Cognizant SIP accelerates the shift from paper-based processes to remote collaboration, facilitating the exchange of millions of documents and safety notifications.

181K

training credit
requests raised

Cognizant SIP expedites site activation by limiting the number of redundant training requested of sites.

About Cognizant Life Sciences

Cognizant's Life Sciences business unit partners with biopharmaceutical and med-tech companies to develop strategies and apply solutions to healthcare challenges across the value chain. Our services and products, including the Shared Investigator Platform (SIP), are digitizing interactions between sponsors and investigators across every phase, helping the industry subtract time from clinical development and add it to patient lives.
