

# Multicloud Migration Solutions and Services from Cognizant<sup>®</sup> and Oracle

## Accelerate and simplify your move to Oracle Cloud

**\$16.02 billion**

The multi-cloud management market is valued at **\$16.02 billion** in 2025.<sup>1</sup>

**\$147.12 billion**

The multicloud market is projected to reach **\$147.12 billion** by 2034.<sup>2</sup>

**98%**

of enterprises use, or plan to use, at least two cloud infrastructure providers.<sup>3</sup>

Modernizing Oracle workloads across Azure, AWS, GCP, and Oracle Cloud Infrastructure can be a long journey. We can help you seamlessly navigate challenges like:

Migration complexity

Licensing policies

Latency & performance

High on-prem costs

Security & compliance

With deep experience in both OCI and multicloud environments, we can deliver tailored, end-to-end services - from discovery and strategy to migration and ongoing optimization to streamline your journey.

**84%**

When surveyed in 2025, **84%** of businesses said they find **managing cloud spend a challenge**.<sup>4</sup>

**77%**

In the same survey, almost **8 out of 10** businesses surveyed **cited security** as one of their **top two cloud challenges**.<sup>5</sup>

**Over 50%**

Over 50% of organizations **will not get the expected results** from their multicloud implementations by 2029.<sup>6</sup>

## Your Oracle Cloud journey, mapped and managed

Cloud strategy & Oracle Database consulting

Cost optimization & DB migration

Managed services for cloud innovation
