

*“Cognizant was identified as a Leader in NelsonHall’s F&A Transformation NEAT across all market segments, demonstrating the breadth and strength of its capabilities. Its F&A offerings are underpinned by proprietary IP solutions, including the Collections Workbench, and it has well-established GenAI use cases across journal entries, R2R, FP&A reporting, and the AP automation suite.”*

Vaibhav Wardhan, Principal Analyst, F&A & Supply Chain, NelsonHall
