

We are appreciative of our partnership for the global implementation of Workday. Our 92% employee adoption rate during week 1 of go-live is a true testament to all the hard work and dedication from both the Stewart and your teams over the last year.

- Emily Kain
Chief Human Resources Officer

Challenge

Stewart Title's mission in deploying Workday was to enable the organization's growth and transformation by empowering their people, modernizing their technology, and simplifying their processes, to provide strategic partnership and value to the global organization.

Solution

Stewart Title chose us as the solution to their Workday needs due to our extensive track record as the longest-tenured Workday partner. With a history of 100% deployment success and a portfolio of over 650 satisfied Workday clients, Stewart Title saw us as the ideal trusted advisor to lead them through a successful deployment from beginning to end.

Outcome

- Successfully completed a 12 month "Big-Bang" implementation on time and within budget for 13 countries, including 46 integrations
- Deployed a unified solution that serves as the single source of truth for people and processes around the globe
- Created streamlined, customer-focused processes that are repeatable and adaptable to changing business initiatives
- Completed 3 Payroll Parallel cycles over 10 weeks, resulting in a 99+% completion rate
- Completed 1200+ test scenarios & resolved 500+ issues over 10 weeks with a team of 55 E2E testers
