

THIRD PARTY LIABILITY SOLUTION

EFFECTIVE THIRD PARTY CLAIMS RECOVERY

Third party liability claims can be the most time-consuming and challenging accounts faced within the revenue cycle. An experienced revenue cycle partner can streamline the payment process, reducing accounts receivable days and maximizing reimbursement.

Partner with Bolder

Bolder Healthcare is a leader in the coordination of third party liability accounts and resolution of complex workers' compensation accounts. When you partner with us, a customized solution is built to meet your organization's specific needs. We process more than \$3 billion in third-party liability accounts annually and serve more than 200 hospital and physician practices in 34 states.

Experts and Technology Together

Highly experienced specialists are blended with our proprietary, decision-tree software to accurately evaluate payment opportunities, route accounts to the proper payer quicker and secure the highest reimbursement. This consistent identification and recovery of third party payments saves your facility valuable accounts receivable days and can significantly increase revenue.
