Inefficient processes, soaring costs and increased timelines are pressing challenges in the mortgage industry today.

Through digitizing appraiser inputs, we aim to streamline the entire mortgage process and offer greater value to lenders and borrowers.

KEY HIGHLIGHTS

- Assisted filling of URAR form (1004 form)
- Real time updates available for appraisers, loan officers and borrowers
- Show past earning for the appraiser and future pipeline
- Simplify data input by avoiding re-entry of available data

KEY BENEFITS

- Reduced application processing time
- Reduced origination and third-party costs
- Increased loan officer productivity
- Increased process visibility
